SUMMER CAMP 2018- Dance Intensive B (June 18-22)

We are happy to confirm your registration in one of SPACE's summer intensives. We have an exciting and creative program prepared for you. The following information will help you be ready.

Camp starts each day at 9 a.m. Campers should not arrive before 8:45 a.m. Camp ends each day at 1 p.m.

- Please bring the following:
 - Refillable water bottle
 - Two healthy and filling snacks
 - T-shirt to tie-dye

We strongly urge that these things be brought in a backpack with your child's name on it. Please check the lost and found regularly. Items left at camp will be donated one week after camp ends.

- Wear appropriate clothing- comfortable clothing for movement and tennis or running shoes. (no sandals!)
- Because so much new material is introduced every day at camp, we ask that campers and their families schedule trips or other events so as not to conflict with camp. One person's absence affects the whole camp's progress.
- Open showing will be the last day of camp, June 22 at noon.

Your child may not attend camp unless all fees are paid in full.

If you have any questions, contact SPACE at 462-9370.
