### **SUMMER CAMP 2018- Video Dance Intensive (June 25-29)**

We are happy to confirm your registration in one of SPACE's summer intensives. We have an exciting and creative program prepared for you. The following information will help you be ready.

**Camp starts each day at 9 a.m. Campers should not arrive before 8:45 a.m. Camp breaks each day at 1 p.m. Campers return to SPACE 6-8pm on Monday, Tuesday and Wednesday evenings.**

- Please bring the following:
  - Refillable water bottle
  - Two healthy and filling snacks
  - T-shirt to tie-dye

We strongly urge that these things be brought in a backpack with your child's name on it. Please check the lost and found regularly. Items left at camp will be donated one week after camp ends.

- Dress Code:
  - No low cut shirts
  - No short shorts
  - No midriff showing
  - Running shoes for street dance – no flip flops!
- Because so much new material is introduced every day at camp, we ask that campers and their families schedule trips or other events so as not to conflict with camp. One person's absence affects the whole camp's progress.
- Open showing will be the last day of camp, June 29 at noon in the SPACE Theater, and June 29 at Alex Thomas Plaza at approx. 7pm, as part of the pre-show to the Movie Madness.
- Students will be filming a dance video with filmmaker Evan Gaustad on Wednesday and Thursday. They will walk to various locations around the westside of Ukiah near SPACE, supervised by camp teachers Amanda Rosenberg and Kira Gibson. Questions? Call Laurel 489-6859

**Your child may not attend camp unless all fees are paid in full.**

If you have any questions, contact SPACE at 462-9370.
