

**SPACE MUSICAL THEATER SUMMER CAMP  
PARENT LETTER #2, 707.462.9370**

Dear SPACE Parents & Guardians,

June 24, 2019

What a wonderful first week! Your children are courageous and talented!!!

- They have played and worked together, quickly becoming a camp family.
- They are appreciating their amazing dance, music, and theater teachers and assistants.
- They auditioned bravely and supported each other through the audition and rehearsal process.

We encourage you to give them unconditional support and love at this time as they are learning so much and we will be giving them lots of performing arts “notes.” It is very important that campers get enough sleep for their minds/bodies and eat healthy snacks and lunches! Keep hydrated.

**Absences:** Thanks for the great attendance and communication!

**COSTUMES:** ALL CAMPERS need a BASIC COSTUME consisting of black leggings and a white t-shirt with no logos. Wear basics to camp beginning Thursday, June 27. Questions? please contact Evan Gaustad at 367-4612.

**OFF-BOOK by Tuesday, June 25!** This means that actors may not carry their scripts onstage while they rehearse. It means that they continue to study lines and lyrics while offstage, both at camp and at home. They must also learn their CUE LINES -- the sentence immediately before their own lines.

**Scripts:** If your child needs another script, please ask Meghan, stage manager.

**FREE TICKETS:** Each camper receives 1 comp ticket to the Friday evening performance; it's attached to this letter. Tickets are \$5 each and available in the box office. Please pick them up asap.

The performance is about 40 minutes long. We'll have a treat for the performers and siblings in the courtyard after the show. Please take home all personal belongings Friday evening.

**Volunteer Sign-ups:** We need your help at the performance. Please sign up on the sheet in the lobby to usher (collect tickets -- you'll need to purchase a ticket to be assured of a seat).

The link to most recent version of the songs is at [www.spaceperformingarts.org](http://www.spaceperformingarts.org) on the 'For Parents' page.
